# Benefits of Membership

## Local, Area and National opportunities rolled-up into 1 AGEHR Membership

“AGHER is a great organization and provides us with LOTS of continuing information. The handbell world is changing and we need to know what is new out there. It is always fun to be the first in the area to do something new....like singing bells.”

AGEHR Member: Deedee Odell

*Overtones*

“The opportunity to learn from excellent leaders, meeting the composers & leaders in AGEHR, as well as other [handbell and handchime ringers and directors] from our own area” are my favorite parts of events.

AGEHR MEMBER: Ann Flisrand
